Light showers fell Saturday night and Sunday afternoon.

The question of purchasing a new organ by the Blue Grass community for the use in the school, Sunday school and other public meetings was discussed the past week. A CALLER.

HOW CATARRH IS CONTRACTED.

Mothers are sometimes so thoughtless as to neglect the colds which their children contract. The inflammation of the mucous membrane, at first acute, becomes chronic and the child has chronic catarrh, a disease that is seldom cured and that may prove a life's burden. Many persons who have this loathsome disease will remember having had frequent colds at the time it was contracted. A little forethought, a bottle of Chamberlain's Cough Remedy judiciously used, and all this trouble might have been avoided. For sale by Davis Drug Co.

SELL Northwest 1/4 of Section 15, Town 3, Range 25, at a bargain price to quick buyer. Easy terms if wanted. Brokers accepted. E. R. KASINITS, 2132 Mohegan Ave., New York City.
